# FINE & RARE

## VINTAGE COLLECTION

*Over the years, we've amassed a wonderful collection of old and rare spirits. We have some legendary bottles of single malt whisky, limited runs of small-batch bourbon, vintage Scotch blends and other exclusive ranges. A lot of what you will find here are liquors from closed distilleries, spirits that will never be made again and some of the most expensive whisky in the world. Our team of curators is constantly adding new items to our inventory.*

Ambassador Royal 12yr, official bottling from 1960's / 43%, Scotch Blend . . . . .	61 / 976

*One century in a bottle. Each decanter  
takes four generations of cellar masters over  
one hundred years to craft*

## WHISKY: SINGLE MALT & BLENDED SCOTCH

---

*Scotch whisky is divided into five distinct categories: single malt, single grain, blended malt, blended grain, and blended Scotch whisky. All must be aged in oak barrels for at least three years. Any age statement on a bottle of Scotch whisky, must reflect the age of the youngest whisky used to produce that product.*

## WHISKEY: BOURBON

---

*Bourbon is made primarily from corn. The spirit got its name through a historical association with an area known as 'Old Bourbon' — now known as 'Bourbon County,' Kentucky. Despite its strong connection with Kentucky, Bourbon can be made anywhere in the US.*

## AGAVE SPIRITS: MEZCAL

*Unlike tequila, which is only distilled from one plant, blue agave, mezcal is a spirit that can be distilled from a slew of agave varietals like Espadin, Tobala and Madre Cuixtle. Mezcal gets its smokiness during production when the heart of the plant, known as the piña, is roasted in stone-lined pits, crushed, and then left to ferment with water in a barrel.*

## RUM

---

*Rum is a distilled alcoholic beverage made from sugarcane byproducts, such as molasses, or directly from sugarcane juice, by a process of fermentation and distillation. The distillate, a clear liquid, is then usually aged in oak barrels.*
